About US

Warrington Community Ultrasound is a Consultant Radiologist led service and we have been providing a professional Non-Obstetric Ultrasound Service to patients in the Warrington area for over 8 successful years.

We pride ourselves on achieving our KPI's every month for our contracts and have a near 100% patient survey satisfaction rate. We offer assured appointments within 2 weeks of accepting referral and guarantee issuing of report within 24 hours from the scan, all scans are 'hot reported' on the same day.

Kleyn Healthcare offers Community Ultrasound from various sites in Warrington. Please visit our website for more information.
